14 IN THE MATTER OF THE APPLICATION OF   Docket No. W-01689A -11-0401
   CLEAR SPRINGS UTILITY COMPANY, INC.
15 FOR AUTHORITY TO INCUR LONG-TERM   **NOTICE OF ERRATA**
   DEBT
16

17

18   Clear Springs Utility Company, Inc. ("Company" or "Applicant"), hereby files its

19 notice of errata regarding its Application for Authority to Incur Long-Term Debt

20 ("Application") to finance certain water system improvements. The Company sets forth

21 the improvements that are being proposed in the Opinion of Probable Costs enclosed with

22 the Application. However, in the application's preliminary statement, the Company

23 inadvertently left in a phrase stating that the proposed loan would be used in part to drill a

24

25 new well and improve the existing well. *See* Application at p. 2, ln. 1-2. The sentence

26 should be revised as follows: "The Company is applying to the Water Infrastructure

27 Finance Authority ("WIFA") for a loan to ~~drill a new well, improve the existing well, and~~
28

make ~~related~~ <u>system</u> improvements." (Strikethrough identifies word deletion and underline identifies word inclusion). No other revisions are necessary because the Opinion of Probable Cost identifies the specific improvements sought by the Company.
